KK Math Games (9-11)
Math 6/7
Middle School Science
MS General Science

ABOUT THE TUTOR

My name is Tena Bartholomew. Koinonia is such a blessing to our family and is one of the highlights of our week. One of my favorite parts of tutoring is that moment when the student makes the connection and understands the concepts being taught. My education is a BA in Elementary Education with a minor in Math/Science and Spanish. Currently, I hold a Michigan Provisional Certificate. My experience includes teaching for 8 years in a Christian School, long term and short term substitute teaching at both the elementary and middle school levels, tutoring and teaching in various children's ministries in church and homeschooling our own children.

Other facts of interest include my family. My husband and I have been blessed: many years of marriage, four children and one grandchild. In addition, we are 4-H leaders in Kent County. Through 4-H, we have been able to share the love and life lessons of agriculture and animal care with our own children and many others.

I look forward to partnering with your family this year.
