ABOUT THE TUTOR

Hello! My name is Shelly Cone and I am thankful for the opportunity to be a part of Koinonia! Among God's greatest gifts to me has been the people He has brought into my life...so spending time with friends and family is what I enjoy most. Additionally, I enjoy camping, walking, entertaining, reading and baking. My husband Mark & I have been married for almost 36 years, have three grown children and seven pretty amazing grandchildren!

Blythefield Hills Baptist is my church home and over the years I've been blessed to serve there with children and women's ministries, small groups, music and drama.

My BA degree from Cornerstone University is Speech/Communications, but more recently I attended Davenport University for Medical Assisting. Currently, I am employed as an administrative assistant and CPR instructor.

I am looking forward to being a part of your child's educational experience as together we journey toward a greater love for God and service to others!
