CLASSES TUTORED

HS Chemistry/AP
HS English
HS Physical Science
HS Physics
HS World History
MS Math 7/8

ABOUT THE TUTOR

When my husband and I began homeschooling, we did so with the idea that we needed to train up each of our girls in the way that she should go – and what a journey it has been! Our oldest, Elizabeth, is married and practices law in Washington DC; our youngest, Nicole, lives with her and attends George Washington University. Emilee is enrolled in a Ph.D. program at University of Louisville, and Grace will graduate from Michigan State University's vet program this year. I earned my BA from Calvin College, many years ago, with a major in English and a minor in Biology. In addition to teaching my own girls, I have taught at a few home school co-ops and I currently tutor students out of my home. I still believe that each student needs to be taught in the manner in which they best learn, pursuing their passions and dreams; my goal is to help them along their path. This will be my fourth-year teaching at Koinonia and I love growing and learning alongside the students. In my free time I enjoy reading and gardening – however, I rarely have free time!
