ABOUT THE TUTOR

This will be my twelfth-year teaching math at Koinonia. I was born and raised in Columbus, Ohio. I graduated from The Ohio State University with a Bachelor's of Science in Mathematics Education. I am a huge Ohio State fan! I have taught math and computer classes at Tree of Life Christian School in Columbus, Ohio; Jefferson Intermediate in Midland, MI; and at East Grand Rapids High School.

I have been a stay-at-home mom for the past 19 years. I have a nineteen-year-old son and a sixteen-year-old daughter. I am married to a Wolverine so life can be quite interesting! I grew up in a Christian home and came to know Christ at an early age. I have been a camp counselor, nursery coordinator, Little Lambs teacher, a Worship Center leader, a Sunday school teacher, and small group leader. I am currently the Science Olympiad coach at Northpointe Christian High School.
