CLASSES TUTORED

KK Basic Spanish
KK Spanish- Read & Write
MS Beginner Spanish
HS Spanish I
HS Spanish II
HS Spanish III

ABOUT THE TUTOR

¡Hola! My name is Maria de Lourdes Krawczyk. I live in Greenville, MI, and I'm getting this wonderful opportunity to teach your children Spanish, my primary language. I was born in Mexico City. I have been blessed with the opportunity to teach my native language for almost 14 years. I am married to Kurt Krawczyk and we have 3 young man. Adrian my college student and homeschool graduated. Michael and Morgan that are also homeschool and students of Koinonia. We have 2 dogs Zeus and Maya, Cotton a parakeet, and a golden fish. My bilingual history or record: I worked as a Medical interpreter for about 10 years in areas like Hispanic Center of western Michigan, Spectrum Health, Kent

County Health Department, Arbor Circle, MMPC, Child Protection Services, etc. This was a blessing for my family and me. I have volunteered for 2 years teaching Spanish in Grattan Academy, kindergarten through 5th grade. The children loved being bilingual. I have been working for Koinonia since 2007. The students are very enthusiastic, respectful and the people that I work with are very supporting and encouraging. I was inspired to home school after seeing all the commitment and hard work from the parents, students and teachers that make this program possible. God is my strength; he is with me every day. Without him I wouldn't be able to serve and share my native language.

Thank you so much! For letting me be part of your children/ student's school year. It is an honor for me.

Blessings!

Señora Maria
