MS Engineering/STEM

ABOUT THE TUTOR

Hello, my name is Sarah Lang and I am so excited to be a part of Koinonia. Jesus Christ is my Lord and Savior and as my personal relationship with him has grown over the years so has my passion for disciplining young people. My husband Jake is a youth pastor in Rockford and we have 2 young boys, Carter will be 6 in October and Levi is 2. We love being outside as a family hiking, biking, camping or going for a run together.

I graduated from Kuyper College with my Bible theology degree and from Cornerstone University with my Elementary education degree in Language Arts. After graduating, I taught in Grand Rapids Public school doing behavior and academic interventions for a year and then teaching 3rd grade for 2 years after that.

Teaching brings me so much joy. Watching children learn and experiencing the “light bulb” moment when they just get it makes teaching fun, exciting and rewarding.
