### ABOUT THE TUTOR

Blessings! My relationship with God and serving Him are the most important things in my life. I am also very passionate about cultivating creativity in both myself and others, so my life motto is "Redeeming the world one creative act at a time." I have attended Magnify Church (formerly Blythefield Hills Baptist Church) my entire life, and I've been blessed to work there as Worship Ministries Support Staff since 2014. I am passionate about the Arts as well - both created by hand and performed, so being a part of all the Worship Arts events and dramas at Magnify Church has always been my favorite times of the year. I graduated from Cornerstone University with a BS in Ministry and Biblical Studies and a minor in Creativity and Innovation. I have had the privilege of taking many art classes and teaching even more arts and Bible classes over the years. In my free time, I love spending time with my family (including a dog and five-plus crested geckos), designing stationery with watercolor paint and hand lettering and reading. I can't wait to redeem the world one creative act at a time each year with my students at Koinonia!
