CLASSES TUTORED

MS Grammar/Latin/Spelling

ABOUT THE TUTOR

I am currently teaching a KK Choir class and a Middle School Grammar/Latin Roots class. I have a degree in Music Education from Central Michigan University, where I minored in English and taught middle school English for three years in Greenville, MI. I taught vocal music at Greenville Middle School for 13 years.

After I had my children (Evan 16, and Alex 13) I began teaching voice privately at home, which I have done for over 18 years. I also began homeschooling my own children in 2010, which is how we became acquainted with Koinonia. My children have been involved for the last several years, taking many classes, which they greatly enjoy.

I direct a children's choir at West Cannon and have been involved with the church's children's summer musical for the last four years and am also in the church's adult choir. I desire to use the gifts that God has given me to give Him praise, which I try to do by bringing out that gift in others as well.
