### **ABOUT THE TUTOR**

Hi, my name is Rebekah Nuest and I am so thankful to be at Koinonia yet another year.

I graduated from Koinonia, class of 2016 and am now using my young adult years not only to grow and learn, but also to serve and teach. A quick glance into my life, I've been part of Koinonia from 2006 to now. God is the love of my life, and He has called me out into the mission field out of country a handful of times. Both short and long term. I believe that each day can be a mission trip. Whether serving at Koinonia or working my job or living in another country, I believe that I am called to be the hands and feet of Jesus on a daily basis. I enjoy just about everything - Disney, time with my family, adventuring, kayaking, my dog, and serving on leadership at my church group (Access Res Life).
