CLASSES TUTORED

H.S. Drawing Studio
Mixed Media Art
Art Explorations
Beginning Drawing for Middle School

ABOUT THE TUTOR

Art is my passion as well as teaching and nothing gives me greater joy than helping students develop their skills with the glory given to God! I have been creating art my whole life and furthered my skills through advanced art classes and art clubs in high school plus college at GRCC and Grand Valley. I continue to practice my skills whenever possible and enjoy competing in juried art competitions and ArtPrize. When I'm not teaching at Koinonia and other locations, I am usually volunteering my time with the Swedish American Heritage society as a board member and newsletter designer or with children's activities at church.
