CLASSES TUTORED

Beginner Drumline

ABOUT THE TUTOR

As a Husband, Father of 6 home educated children and a Serial Entrepreneur, I have enjoyed the privilege of starting and growing multiple community-based businesses.

They include:

- ProTrainings, LLC
- Reverence Dance Academy, LLC
- Vanguard BJJ, LLC
- BigFoot Marketing, LLC
- Rock City Board Sports, LLC

In life, It's been my experience that in most cases, the only thing that holds back the realization of our dreams is the failure to try. In 1995, I developed a love for education that started by teaching emergency medical response courses and most recently has developed into teaching Martial Arts to over 45 kids from 6 to 18 years old weekly. I'm excited to partner as a tutor with Koinonia and use my music, performance and percussion experience to help develop a beginner level drum line. My musical training and experience began in 1982 when I began formal music lessons and playing the organ. From there, I played piano and keyboards, bass guitar and acoustic guitar as well as singing and songwriting. In 1991 I began playing in a local Christian Rock band and gave anti-suicide and anti-drug musical demonstrations. This included local venues, Grand Rapids Festival and traveling to different schools to include Rock Island Illinois. After leaving the band Insight, I began participating in Praise and Worship with my church and honed my drumming skills further by playing with the praise and worship band each Sunday. My love for percussion, choreography and precision work will be implemented in the Drum Line and help the children develop a sense of pride, accomplishment, and teamwork as they perform different percussion pieces.
